IT'S MORE THAN JUST A MEAL...

HOW IT WORKS

Meals are prepared daily at Peace Hills Lodge. While we do not have access to a menu in advance, meals typically include a meat, a starch (rice, pasta, potatoes), a serving of vegetables, a salad and a dessert. These hot meals are delivered daily, Monday through Friday including statutory holidays. You can choose the intervals at which you'd like to receive meals, whether it be every day or certain days of the week. Unfortunately, we cannot accommodate dietary restrictions, allergies, or substitutions at this time.

As our team of dedicated volunteers deliver meals to each client, they will also provide a "wellness check" to make sure each individual is safe and healthy. If necessary, the volunteer will share any concerns with FCSS Staff who will then reach out to the client, and/or their emergency contact.

Each hot meal costs \$6.50, and is billed at the end of each month. Payments can be made through the City of Wetaskiwin Finance Department.
